Part space station, part time capsule, **SpaceCraft**, the **PennDesign** Year End Show, offers a firsthand look at how the **next generation** of architects, landscape architects, planners, and preservationists are **pushing the boundaries** of design. A multimedia display of work by **more than 200** master's candidates probes **connections** between the built environment and **quality of life**, cultural heritage, and social **justice**.

 PennDesign

**SPACECRAFT: The 2017 PennDesign Year End Show**  
Friday, May 12, 2017, 05:30pm — Sunday, May 21, 2017, 05:00pm  
Opening Reception: Friday, May 12, 5:30 — 8:00pm

The PennDesign Year End Show offers a firsthand look at how the next generation of architects, landscape architects, planners, and preservationists are rethinking the spaces we inhabit and how we inhabit them. Work by nearly 200 masters' candidates probes connections between the built environment and quality of life, cultural heritage, and social justice.

Part space station, part time capsule, the PennDesign Year End Show offers a firsthand look at how the next generation of architects, landscape architects, planners, and preservationists are pushing the boundaries of design. A multimedia display of work by more than 200 master's candidates probes connections between the built environment and quality of life, cultural heritage, and social justice.

A companion exhibition at Icebox Project Space, 1400 North American Street, tracks directions among emerging artists earning an MFA from the School.
